**Serenity Prayer, Welcome, Reminders (Microphone & Voting Statement):** Dawn K. Chair;

(See Attachment – *Microphone & Voting Statement*)

- Ask-It-Basket
  - The Ask-It-Baskets serve as two-fold; first teaches us to get used to looking things up in the Oregon Area Handbook (OAH) & Service Manual; second allows us to see how many different situations are addressed in the books. You may find you don't need to ask the question because the manual or handbook have already addressed it.
- During Roll call, District Representatives if you have any new Group Representatives please introduce them.
- The Agenda is a best guess, items may be moved around – Need to stay all weekend to guarantee you hear some items on the agenda.
- Asked everyone with 10 years or more of Service at Oregon Area or elsewhere to stand.
  - Thanked them for their guidance & wisdom; these members may be able to share why something was done & educate us on the history of a subject.

      - There is not one at this time, it will have to be voted in after we know the amount – In the meantime the funds would be taken from the contingency fund
    - Today's Mileage is \$0.16/mile; Mileage is from your home town to the location of the event, not from your address to the event.

## Approved

- \$4,000 Public Outreach Budget 2019
  - Spent \$477.93 on Al-Anon Faces Alcoholism (distributed at March Assembly)
  - \$3,522.07 remains to be spent before December 31, 2019
- Questions, Comments, Concerns?
  - A few years ago there was a Public Outreach Project for placing Signs on buses. At our newcomers meeting we ask newcomers if they saw the signs and they say no. They come by other means but not the signs. Is this the best way to share the program? This group passes out Al-Anon Faces Alcoholism (AFA's) that have a sticker on them stating the time, Date & meeting location information.
  - Al-Anon is different, this is not a membership drive, and this is a way to plant a seed. Our brand is brand awareness, one of the goals to reach public awareness.
  - Anything getting out is better than nothing getting out. Television and Radio skew a lot more of the older area. We are missing a gigantic piece which is digital marketing.
  - This is Oregon Money – We need to get the most bang for the buck – How does it effectively attract membership when the flyers could be being picked up by visitors.
  - Having it printed on heavier paper is necessary but a home printer will most likely be a Jet printer which is susceptible to the ink running.
  - Lots of money but we can't afford lots of TV.
  - Need to split CPC & Public Information on the budget Line items, currently both under Public Outreach Action Committee Budget.
    - CPC currently has plans to spend some of the money in this year's budget. So if this project was going to take all of it then maybe the project scope will have to be narrowed.
  - Is having the WSO contact on the displayed literature the way we would want to go or would we want it to be Oregon Area? The Book mark is available so we can add local information.
  - This is thinking outside the box. I would pick them up for family and Friends.
  - The Public information coordinator is the trusted servant and doesn't require approval from the assembly to go forward with a project with in a budget.
  - How does the literature get to the location? - It would ship directly to them.
  - Can we do less than 12 months? – Yes we can
  - It doesn't matter who picks up the literature, Al-Anon's primary purpose is to help family & Friends of Alcoholics whether they are in Oregon or not. It may not be the person who picks it up that ultimately is the person who walks through the door. They may just be the messenger. They may drop it and the person who picks it up will be the person in need.
  - We can't lose with this project.
- Took a Group Conscience (not required but to assure the PIC that this was a direction the Oregon Area was interested in the project) Group Conscience Approved.
- Gave contact information - publicinfo@oregonal-anon.org

### **Area Alateen Safety & Behavioral Guidelines:** Kathy K. AAPP

- The Guidelines are still in process, they need to be re-reviewed by an attorney. If there are any attorneys familiar with not-for-profit or safety & behavioral guidelines that members know please contact Kathy. After an attorney approves then they will go back to WSO for approval.

### **Book Report *How Al-Anon Works for Families & Friends of Alcoholics*;** Emily C. GR Dist 6

*How Al-Anon Works* is a complete anthology of the Al-Anon program. It's a compilation of information including our steps, traditions, slogans and stories of success. Many groups gift this book to newcomers because it is such a rich introduction to the program. Part one contains information on the Al-Anon program, and the second part is stories of personal experiences.

*How Al-Anon Works* introduces the reader to a wide variety of Al-Anon members. Readers meet the single woman who continued attending Al-Anon after being honest with herself about her relationship with an alcoholic. The book introduces a War Veteran who hit rock bottom and found Al-Anon through the advice of a counselor. One story walks through a husband's experience with the Al-Anon slogans as they relate to an ancient prescription for sanity. Whatever the reader's personal experience, they are likely to find a story with which they connect.

- The first group I attended regularly, was simply a study of this book. We would read paragraph by paragraph, pausing to discuss as desired. There was often a creepy irony that people were sitting in just the right spot to read aloud what they needed to hear. It was as if the book knew what pearl of wisdom was perfect for each person that day. At home, I would read ahead, and at first, I was surprised when the same passage held new importance when read in the group. But, as I continued the book, I realized how much meaning is contained between the covers. It is a book that can be read and studied over and over without losing its impact. *How Al-Anon Works* is a meeting in book form, and I highly recommend picking it up, asking your higher power to help you flip to the right story for that moment, and seeing what you find.
- Permission granted to share freely with groups 😊

### **State Speakers Meeting (SSM):** Emily C. SSM Representative;

- Took a Journey to Serenity at the 2019 State Speakers Meeting. There were about 200 attendees. This was the first ever on-line registration (40% on-line registrations)
- There were sharing, walking, meditation, panels, speakers, writing workshops, AA participation, a fun game and members had a blast.
- Refunded the \$1000 seed money
- Raised \$5000 to give to the Oregon Area
- There were wonderful speakers – especially the Alateen Speaker

### **Audit/Budget Report:** Sue B. Audit Budget Chair

- The audit-budget committee met and audited the first quarter books for the Oregon Area. We found the amounts reported to agree with the amount showing on the March 2019 Bank Statement. There were a few adjustments to amounts paid to individuals who will be notified of these amounts. The SSM and OAC will be audited before the next assembly and we will report our findings at that time. The second quarter books will be audited at our next meeting when we will also be preparing the first draft of the Budget for 2020. Information will be emailed to each officer and coordinator who need to respond to the committee in a timely manner. All information will be in this email. I would ask that you respond that you've

## Approved

received the initial email and then send your proposed budget amounts by the date requested. This email will be forthcoming before Mid-August.

### **Invitation to Participate in the Oregon State Young People in AA Convention (OSYPAA):** Dawn K. Chair

- Dawn K. Chair invited Garrison (by Phone) a representative of the OSYPAA committee to call in for an explanation, question, answer and formal invitation for Oregon Area Al-Anon to participate in the Oregon State Young People in AA Convention in Medford Oregon this year on November 8-10, 2019 @ the Inn at the Commons.
- What is in the plans – There will be big speaker meetings, panels, hopefully 2-4 Al-Anon panels. There will be Marathon meetings for AA around the clock, with Al-Anon participation there will be some Al-Anon meetings throughout the day. There will be multiple events at the same time.
- They hope to bridge the gap between the two fellowships.
- Definition of a Young person in AA is anyone with room to grow or is young at heart. There is a certain energy about the YPAA events that have even those that are well experienced (Seasoned Veterans – those that became sober at a young age and AA helped them find help and gave them a life worth living.)
- The Theme of this year's OSYPAA is: Limitless Expansion – (What does it mean?) Expansion to grow without limits. On the back of their program sheets & lanyards individuals can write what limitless expansion means to them. We all have our own definitions. By following the principles of the AA program – Limitless expansion is possible.
- Questions:
  - Could we also extend the invitations to the Alateens? – Absolutely
  - Is this backed by Alcoholics Anonymous in Oregon? - Yes by the Oregon Area General Service Board.
  - What would the Al-Anon responsibility be? - Show up, have a good time, organize the Al-Anon panels of speakers, Al-Anon meetings, and planning any workshops Al-Anon wanted.
  - Money – What happens with the money raised? Goes to cover the cost of the event, the Advisory committee, the General Service Structure & the Next hosting committee as seed money. Each individual pays their own way.
    - What about the money raised by Al-Anon's? (7<sup>th</sup> Tradition & such?) – Garrison will take back to his committee to find out.
  - Is OSYPAA a Service Arm – YPAA is a group of a Service arm of AA and are part of the AA autonomy. Their primary purpose is to help sober another Alcoholic. The bigger conference ICYPAA (International Conference for Young People in AA) is a Service Arm of AA. – Garrison will have to check if OSYPAA is registered as a Service Arm.
- Vote: How many Group Representatives would support cooperation with OSYPAA to put this conference on? This means you support Oregon Al-Anon cooperating with OSYPAA, it does not mean you will attend or be a direct part of.
  - Simple Majority Yes, (~27), Abstaining (~3), No no's
  - Minority Opinion (~3) – Would like to make sure that this organization is affiliated w/AA
- Dawn explained to Garrison that Oregon Al-Anon agrees to participate, contingent on the Affiliation of OSYPAA with AA.
- Reggie DR 7, is acting liaison.

### **GR's DRs, Coordinators Breakouts:**

- GR's – GR Orientation/Website Review by Mary Lynn J. Alternate Delegate
- DR's –

## Approved

- Coordinators – Reviewed what they were working on in their position, what kinds of projects they could work on using the members of the Assembly, Discussed what workshops they see the Assembly having in November. November there will be a Forum/Literature writing workshop by Jaime J. & Emma H.; The October Coordinator Breakout will be led by Dawn B. introducing how to set-up a Google hangout for coordinators to work with members interested in assisting with projects.

## Workshops:

- Flyers – Joanne C. Group Records, Cindy G. DR Dist 13
  - There is a Flyer Guideline Task Force that was initiated during the June AWSC that will be reviewing and making suggestions for updates.
  - Passed out pages from the Oregon Area Handbook - Flyer Eligibility (Sec IX-PG2) & Flyer Guidelines (SEC IX-PG3) & we went through them
  - Grouped up & passed out several Flyers that had been modified to have common mistakes. Groups were asked to use the Flyer Guidelines and critique the Flyer. Then come & Share what mistakes they found.
  - Suggestion – Add to the bottom of the guideline who to send the flyer to for approval
- Alateen – Mary W. Alateen Coordinator
  - Two Alateens shared their personal experience with Alateen & Oregon Alateen Conference (OAC). Both joined the OAC committee.
  - They invited everyone to support the teens and asked for donations to assist with scholarships for Alateens to be able to attend OAC in August.
  - Alateen Sponsorship
    - Passed out Alateen Sponsorship “Is it for you” questionnaire S-27
    - Had Oregon Area Alateen Sponsorship Candidate Application for anyone that is interested.
    - On-Line meetings have two Sponsors
    - If the commitment of 3 years is holding members back from being an Alateen Sponsor then would people be interested in paying their own \$45 for the background check? Currently the District pays it but if members paid their own fees then a 6 month term of service could be a reality. Keeping in mind that the teens need consistency.
    - Alateen Chat lines – There are AMAIS on the Chat lines that read each post before it is posted.
    - Northern California has a weekend long Sponsorship Retreat.
  - Questions
    - What keeps teens coming back to Alateen?
      - A parent’s encouragement to go. This allows time to make a connection. For one it was the escape from the house and the meeting felt safe and welcoming. There are going to be teens that won’t come back. As more people came to the meeting they fell in love with it. It took a Sponsor that kept the meeting lively when only one teen would show up. The teens that stay are the ones that put themselves-full into the program. The members in the meeting became a community to text when something was going on. Created friendships in the group knowing they are safe. Additional things that kept them coming back in the beginning – taking everything slow, having snacks & bringing dogs to the meetings.
      - Planting the seed of AI-Anon/Alateen service
- Service Manual – Deanna M. Secretary (See Attachment – *Service Manual Workshop*)
  - For this Workshop we will use the 2018-2021 AI-Anon/Alateen Service Manual (P24-27).
  - On the inside front cover of the manual it reads: “Every AI-Anon and Alateen member is encouraged to actively use and study this Manual. It gives a clear and concise picture of the AI-Anon fellowship, its purpose and functions and how it helps us to resolve group problems and maintain unity.”
  - On the next page under Preface it reads: “Questions pertaining to the Twelve Traditions and the Twelve Concepts of Service continually arise within our fellowship. Over the years, four booklets were

## Approved

introduced to assist members in resolving specific situations. In 1992, the four booklets were combined into one and retitled Al-Anon/Alateen Service Manual (P-24/27). This Manual reflects the collective experience of our membership in its ongoing effort to interpret the Traditions and Concepts of Service in a spirit of unity and harmony. Members seeking answers to specific questions of special situations may well find guidance within these pages. Each section has its own purpose, author and Table of Contents. The Index lists the many topics addressed throughout the Manual.”

- As for the Manual. Did you know you can literally chair a meeting directly from the manual? The first section “Al-Anon & Alateen Groups at Work” gives the suggested meeting readings. Many groups read straight from the manual and many have made a group conscience to read a script. Just remember if for some reason you don’t have access to your normal script, you can always default to the manual starting on page 11. The “Al-Anon and Alateen Groups at Work” explains how to start a group, help it grow, and discover how other members have solved problems common to groups. The harmony and success of each group depends on shared responsibility, a warm spirit of fellowship, and individual self-improvement.”
- Additional information members found interesting
  - Pg. 100 is an excellent source when talking about finances and our spiritual principles; Anonymity, Gratitude, Responsibility, Trust & Unity
  - Pg. 112 – 2<sup>nd</sup> paragraph discusses limiting outside sources to a brief sentence or two. So we don’t have to ban all outside information just don’t make it the focal point of our sharings.
  - Pg. 92 & 130 – Retreats are not a part of Al-Anon
- Continuation of WSO website – Mary Lynn J. Alternate Delegate
  - During the GR break-out Mary Lynn took them on a tour of the WSO and Oregon Area websites. The following were a few things that were omitted from the original review.
    - In the Loop
      - On the WSO website – go to the Members Tab – on the lower right hand side it says News from WSO. Click that – You can subscribe or view it.
    - World Service Conference Summary
      - On the WSO website – Hover over the Members Tab and go down to World Service Conference (WSC)
        - On the Left is the current years WSC Summary
        - On the Right is the WSC Summary Archives which date all the way back to 1961.

### Forum Giveaways: Emma H. Forum Coordinator

- 5 subscriptions to the Forum were distributed to Oregon Area Groups.
  - H.U.G.S – District 17
  - Live & Let Live – District 7
  - Discovering Choices – District 17
  - Parents Aren’t Perfect – District 10
  - Westside Newcomers – District 10

### Ask-It-Basket Questions:

- Will the Al-Anon “General Public” be invited to attend the Trustee presentation? If not should we have a “workshop” on Sunday afternoon?
  - Trustee’s personal story will be on Saturday at Lunch. Anyone is welcome at that lunch or to join the assembly as a visitor.
- Currently Oregon Area does not have a Committee geared towards Young in Al-Anon Recovery. I came into the program when I was 26, I’m 40 now. AA has YPAA (Young Person in AA) where those who identify as young create programming that speaks to the young person in today’s generation. Southern CA Al-Anon is sponsoring

## Approved

YHA Aug. 3<sup>rd</sup> Young at Heart in Al-Anon similar to YPAA these committee's help with the transition from Alateen to Al-Anon. I would like to have discussion that Oregon develop an Area Committee of Young in Al-Anon Recovery to help others who are young and struggling with the effects of another's problem drinking. I have a flyer drafted that describes the framework. I attended the SSM and they were mostly older Al-Anons with a few young people. I've been active on the YHA committee since last July when meeting them at the Al-Anon international. These Young in Al-Anon service committees I feel will help with the transition and attract Young People to keep coming back and get involved at the Area or District Service.

- Contact the local District Representative to discuss this at the District meeting and then bring to AWSC through the links of Service.
- Will Katie's Delegate Presentation be electronically available to GR's?
  - Yes
- What is an "Acting GR"? How many Alternate GR's can a group have?
  - Don't know what acting is. What is your Group or District Policy? There should only be one vote per group. Service Manual - Page 137 discusses Alternate and Page 61-67 Encourages election of an alternate. If the GR or Alt are unable to go to the group they could ask a member to stand in with a group vote. Where is the commitment of the GR/Alt. You don't just send anyone when you know there is a vote.
- Is an alternate DR a member of AWSC?
  - No they are not - Service Manual Page 171 – Al-Anon Information Service Liaisons, District Representatives, Area Coordinators, Delegate, Assembly Officers, & a Chairman
- I ask that the Assembly minutes be condensed. Removing Reports and skits. A line can be used for reports. Skits can be mentioned as performed, not-word-for-word. This was too overwhelming.
  - The minutes will be condensed. The reports can be added as a second attachment but if they are not with the minutes, the minutes will be missing components. The skits can be mentioned as performed.

## Open Discussion/GR Sharing what they plan to take back from the Assembly:

- A new GR & swimming in information, there are a lot of acronyms but with the use of the Service Manual and the green flip book handed out at the GR breakout should be able to make sense of it.
- Should we have a State Speakers Meeting for OAC fundraising? Alateens do their own fundraising and we can support them.
- A group with a stockpile of literature that has kind of created their own literature business with it.
- First assembly in years – This has been a positive experience. So positive and all my assets & character defects can be seen in everyone. Happy to connect with outreach and CPC.
- Workshops in small groups have been very informative. There are lots of men at this one which is a nice to see.
- The Delegates Report and the Spanish Translation was outstanding; The Alateen report was very powerful.
- Enjoyed the number of people, fantastic workshops and lots of energy. Need to prepare the group gently when bringing back the information. Take it back in small chunks.
- The Delegates report was very powerful, workshops have been very useful, lots of improvement from the last assembly.
- Stepping out of the comfort zone. Thanks to the Delegate, the report began with the basics, and we listened. Sit and listen to conversations beginning, after and before, the WSO is expanding and including everyone.
- This assembly is a culture shock – Thanks for the open mindedness of the assembly I am very passionate about YHA and YPAA I can get too bogged down, and need to stay in the spirit of the principles rather than the lay of the law.
- The action committees had value but the workshops give me more. The breakouts are letting me be new. Thanks to the Alateen Coordinator and AAPP.
- Attended a preliminary assembly in November, March was the first assembly and it was rough, this one I felt I was learning pretty quickly. Hopefully I don't have to wait until the end of the 3 years to learn.
- Request to send the Service Manual Workshop Electronically.
